

FOCUS

This course is designed to equip students to become proficient communicators of the Gospel message and will examine strategies, practices, and perspectives used in sharing the Gospel with others.

CONTENT

In this course, students will demonstrate:

- Ability to apply different methods and strategies of evangelism within diverse ministry contexts.
- Increased passion for evangelism as they explore their roles within Christ's Great Commission and Christian ministry.
- Confidence in their ability to share the Gospel of Jesus Christ with others through practice.
